VALERIE CAPRONI, United States District Judge:

On April 19, 2016, Magistrate Judge Cott reported to the Court that the parties to the third-party action, Halstead Management Company, LLC et al. and Sterling Infosystems, Inc., have agreed to settle their dispute.

Accordingly, it is hereby ORDERED that this third-party action will be dismissed without costs (including attorneys' fees) to either party on **May 20, 2016** unless before that date one or more of the parties files a letter with the Court requesting that the action not be dismissed and stating the reasons why the Court should retain jurisdiction over this action in light of the

14-CV-3125 (VEC)

ORDER

parties' settlement. To be clear, any request that the third-party action not be dismissed **must** be filed **on or before May 20, 2016**; any request filed thereafter may be denied solely on that basis.

If the parties wish for the Court to retain jurisdiction over their settlement agreement, not later than **May 13, 2016**, they must submit the settlement agreement to the Court in accordance with Rule 5.A of the Court's Individual Practices, along with a request that the Court issue an order expressly retaining jurisdiction to enforce their settlement agreement. *See Hendrickson v. United States*, 791 F.3d 354 (2d Cir. 2015).

SO ORDERED.
